

PRAYER TO OUR LADY OF GUADALUPE

Written by Mother Adela, sctjm,

This prayer was written for the official pilgrimage of the images of Our Lady of Guadalupe which were specially blessed in her Basilica to go in pilgrimage throughout the parishes of the Archdiocese of Miami during the Jubilee Year of the 50th anniversary of its foundation.

*“Our Lady of Guadalupe,
Mother of Life and Bearer of Light,
You allowed the Holy Spirit to expand
The Tent of your Heart and Womb to received and to
guard the Word made Flesh.*

*During your pilgrimage through the Archdiocese of
Miami, may our parishes, our families
and our hearts become a home where you
can give birth to your Son, Jesus.*

Our Lady of Guadalupe, Mother and Queen of the Americas, pray for us.

Saint Joseph, pray for us.
